

YOUR ADIMEDIA CAMPAIGN GUARANTEE

ADIMedia Campaigns are designed and monitored to place customized information about our clients' products and/or services on high traffic websites, search engines, social networks, GPS, and other online devices.

1. ADIMedia Guarantees that we will deliver an ADIMedia Web Page proof customized for your business, designed specifically for maximum online exposure, and optimized for your locale and market within 7-10 business days of processing the payment for your order.
2. ADIMedia Guarantees that geo-targeted ads with links to your ADIMedia Web Page will begin to appear on Google™ sponsored search results on a rotational basis upon launch of your campaign.
3. ADIMedia Guarantees that geo-targeted ads with links to your ADIMedia Web Page will begin to appear on the Google™ Search Network (branding network) upon launch of your campaign on a rotational basis.
4. ADIMedia Guarantees that we will monitor and continue to optimize your new web advertising campaign for maximum online exposure in your geo-targeted market throughout the duration of your campaign. ADIMedia stands by our promise to target and then monitor each of our advertiser's Google AdWords™ sponsored search campaigns to ensure that their sponsored search ads are displayed on a rotational basis.

Should ADIMedia fail to provide the guaranteed services for any given month of your campaign, ADIMedia will at your option, either give you a FREE month of service and suspend billing until such time as we are able to fulfill this obligation; or cancel your campaign and refund your money for the month that we failed to deliver and the remaining portion of your campaign.

*Item 1 excludes **custom art**, which is 10-20 business days. Items 2, 3 and 4 above do not apply to the **Basic Campaigns**.
